OUR PRODUCTS

MIST

They combine a powerful selection of plants that activate your nervous and cognitive system. At the same time you can use it on the body, thanks to its natural moisturizing components.

SUEÑO PROFUNDO

Relaxes and connects you with your inner self for a deep sleep. Promotes relaxation, well-being and calms your spirit. Facilitates meditation, connection with the spiritual world and the search for a greater sense of purpose.

CONEXIÓN

Keeps you motivated and connected to your activities. It promotes concentration, confidence and self-esteem. It cleanses and strengthens the aura. Fosters connection with our ancestors.

BENDITA ALEGRÍA

Activate and sustains good mood, comforting, promotes well-being and brightens your spirit. It Creates an energetic shield that protects against negative energies and bad vibrations. Facilitates meditation, introspection and connection with the divine.

Our recommendations: In order to preserve the herbal properties, please keep the mist away from direct sunlight and avoid high temperatures. Do not use the products in diffusers.
